Director of Logistics

Preliminary Estimates of Character and Level of  
IO Division Operations - FY 1960REFERENCES: (a) TS # 150455  
(b) [REDACTED]

1. In accordance with the procedures outlined in reference (b), the Preliminary Estimates of the Character and Level of IO Division Operations for FY 1960 have been reviewed.

2. The review indicates that the funds budgeted for material for FY 1960 were not increased over FY 1958 Estimates and the requirements reflected in the operating budget for FY 1959. The indicated \$23,400 reflected for each Fiscal Year for material is a very small part of the total funds in the program. Of this figure, \$15,800 has been allocated to [REDACTED]

3. The only project which might have a logistical implication is Project [REDACTED]. The Office of Logistics is aware of this project and is awaiting further contact from the Office of Communications relative to firm requirements.
